

Day 1 - ILLUMINATION

# UNITY

## Church of Clearwater

### The Creation Process:

*"First the idea, then the visible.*

*This is the process through which all creation passes"*(Charles Fillmore, ***Mysteries of Genesis***).

Scripture from the Book of Genesis

## THE CREATION MURALS

The Creation Murals are a joyous cooperative effort, ideated (inspired) by Spirit, encouraged by Sr. Minister, The Reverend Dr. Leddy Hammock, conceptualized and planned by Artist, Susan Forever Moore, under whose guidance the murals were given form at Unity Church of Clearwater by our Youth of Unity in the summer of 2015.

God – Divine Mind, Spirit – is creative! Spirit-Mind thinks (speaks the word / idea) that moves over infinite possibilities!

*"In the beginning, when God created the heavens and the earth .... Then God said: Let there be light, and there was light. God saw that the light was good" (1:1-3).*

### Day 2 - FAITH

God – Spirit Mind – spoke the word (expressed the idea), breathing over infinite possibilities and making space for creation!

*"Then God said: Let there be a dome in the middle of the waters .... God called the dome 'sky'"(1:7).*

### Day 3 - IMAGINATION

God's ideas are creative, with the natural potential to gather (aggregate), take form, and multiply – first in mind and then in manifestation!

*"Then God said: Let the water under the sky be gathered into a single basin, so that the dry land may appear.... God called the dry land 'earth,' and the basin of water he called 'sea.' God saw that it was good. Then God said: Let the earth bring forth ... every kind of plant that bears seed and every kind of fruit tree that bears fruit with its seed in it"(1:9-12).*

## Day 4-REFLECTION

Ideas take form and multiply when will and understanding work together: will is a power for good when reflecting the light of divine understanding!

*"Then God said: Let there be lights ... to illuminate the earth, to ... separate the light from the darkness. God saw that it was good"(1: 14-19).*

## Day 5 – MIND ACTION

Thoughts are alive! Thoughts held in mind reproduce after their kind! Thoughts go deep and fly high!

*"Then God said: Let the water teem with an abundance of living creatures, and on the earth let birds fly beneath the dome of the sky .... God saw that it was good, and God blessed them, saying: Be fertile, multiply, and fill the water of the seas and let the birds multiply on the earth" (1:20-3).*

## Day 6 – REALIZATION

Divine Mind "images" (thinks) living ideas of intelligence, life, and substance, naturally ascending in self-awareness. The true being of humankind is divine; we are all divine ideas, made in the image and likeness of Infinite Mind and designed to express spiritual dominion over the creative process.

*"Then God said: Let the earth bring forth every kind of living creature .... God saw that it was good. Then God said: Let us make human beings in our image, after our likeness .... Male and female he created them .... God blessed them and God said to them: Be fertile and multiply .... have dominion .... God looked at everything he had made, and found it very good"(1:24-31).*

## Day 7 – THE SABBATH: REST

God – Divine Mind, Spirit – is the sole Creator and God's creation is good. There is no evil in God's work; therefore, evil has no enduring reality. Prayer is the highest thought – resting in the awareness that all is whole (holy) and complete in Divine Mind and in manifestation. Amen! *And so it is!*

*"Thus the heavens and the earth ... were completed .... God blessed the seventh day and made it holy, because on it he rested from all the work he had done in creation"(2:1).*

**Peace be with you!**
