

Unity Church of Clearwater Mission Statement

“Jesus Christ is the Head of our Church.

Our Mission is to serve the Christ, the Word of God, by learning, teaching, sharing, and living the universal principles taught by Jesus Christ – the goodness of God, the divinity of humanity, the principle of Idealism, and the freedom of individuals in matters of belief – as understood in the tradition of Christian Idealism established by the Founders of the Unity movement, as progressively advanced by others of like mind, and as outlined in our democratically-mediated Statement of Faith. Dedicated to the highest principles of Church teachings, education and government, Unity Church of Clearwater offers services of worship, classes of instruction, and other means that, according to the guidance of the Senior Minister (our elected Administrative Executive), serve this Mission: Our Purpose is to further the teachings of Jesus Christ everywhere. We are a free and open, autonomous spiritual community, welcoming all who are drawn to our Church to be inspired, instructed, encouraged, and empowered and to experience and express the Christ consciousness of wisdom, wholeness, abundance, love, and peace.”
