

Randy Jenkins

UCC welcomes our new Board candidate, Randy Jenkins! He and his wife of thirty-four years, Jan, have been attending Unity Church of Clearwater for twenty-five years. Randy was raised in the Baptist Church and Jan in the Episcopal tradition, so when they found Unity, it felt like a nice change and a better fit for both.

Randy worked for Baycare Health Systems for twenty-eight years as an MRI technician. He still works part-time for Baycare, as called upon. They have two daughters--one in Illinois and the other in Colorado. They have six granddaughters, ranging in age from nine to twenty-six.

They also have two kitties: Lady and Paxy.

Randy and Jan are avid bike riders. They, along with their long-time bike buddies, have cycled in Europe, California wine country, Door County Wisconsin, Cape Cod, Martha's Vineyard, Vermont, and many cities in Florida. Their other great passion is volunteering and supporting Suncoast Animal League in Palm Harbor. The shelter is a no-kill, no time limit organization, with compassionate staff and volunteers and, of course, many loving animals who are ready for forever homes.

Randy is grateful for the opportunity to serve the Church and we are truly grateful for the Jenkins!
