

FLORENCE SCOVEL SHINN –

Seeming impossible doors now open, seeming impossible channels are free, in the Name of Jesus Christ.
Every cell in my body is filled with light.

I give thanks for radiant health and endless happiness. Endless Good now comes to me in endless ways.

I am now on the Royal Road of success, happiness and abundance. All the traffic goes my way.

I banish the past and live in the wonderful now, where happy surprises come to me each day.

I have magical work in a Magical Way. I give magical service for magical pay.

There are no obstacles in Divine Mind, therefore, there is nothing to obstruct my good.

My good now flows to me in a steady, unbroken, ever-increasing stream of success, happiness, and abundance.

Goodness and mercy shall follow me all the days of my life and I shall dwell in the House of Abundance forever.

All that is mine by divine right is now released and reaches me in great avalanches of abundance,
under grace, in miraculous ways.

My supply is endless, inexhaustible and immediate and comes to me under grace, in perfect ways.

My God is a God of plenty and I now receive all that I desire or require, and more.

My ships come in over a calm sea, under grace, in perfect ways.

I give thanks that the millions which are mine by divine right now pour in and pile up under grace, in perfect ways.

I have wonderful joy in a wonderful way, and my wonderful joy has come to stay.

I walk boldly up to the lion on my pathway and find it is a friendly kitten.

I forgive everyone and everyone forgives me. The gates swing open for my good.

There is no power in evil. It is nothing; therefore, it can only come to nothing.

I now exercise my fearless faith in three ways – by thinking, speaking, and acting.

I am unmoved by appearances, therefore appearances move.

I know there is nothing to defeat God, therefore, there is nothing to defeat me.

I have perfect confidence in God and God has perfect confidence in me.

I do not limit the Holy One . . . in word, thought, or deed.

With God, all things are easy and possible now.
